

REGISTER OF GOVERNORS' BUSINESS AND PERSONAL INTERESTS

You should sign and return this form even if you have no interests to declare.

PLEASE ENSURE THIS FORM IS RETURNED TO THE SCHOOL FOR RETENTION

The Governing Board of each school is required by regulations made under the School Standards and Framework Act 1998 to establish a register which lists, for each member of the Governing Board and the Headteacher, any business or personal interests they have which could conflict with the school's interests. Details declared must be available on the school website, updated when a change occurs and reviewed annually. **As a general principle, governors should err on the side of caution and declare interests that they think could be relevant.** A good rule of thumb is to ask "Is this something that might make a reasonable person question the fairness or impartiality of someone in my role?"

1. Financial interests:

- Are you, or a spouse, parent, sibling, child, partner or friend, involved in a company for example, directorships, company secretary, or any other position where a person is actively involved in the running of a company's affairs, where the company has, or may have, a contractual relationship with the school? (E.g. work for which a fee is received).
- Do you hold of shares or other securities, in a company or other body with whom the school contracts or is considering contracting? Declare if the holding exceeds £25,000 or more than 1/100th of the nominal value of the issued share capital, whichever is less. The size and nature of the holding need not be declared, simply the name of the company.
- Do you intend to bid for the purchase of land or property owned by the Council or school?
Please provide details below or answer 'none'.
